The story of this restaurant begins with a boy named Bon, born to a small rural village in Vietnam.

After surviving many years of war and imprisonment at a re-education camp, Bon was granted asylum to Australia.

Bon married the love of his life, starting a family raising three sons and began the search for his calling in life.

First, he began a tomato farm, then tried working as a welder, before finally opening a successful bakery in St Kilda.

Although successful, after Bon discovered vegetarianism he sold his bakery, and began his search for a more compassionate path.

His first step was a new fully vegetarian bakery in Preston called La Panella, but already he was dreaming of something more.

Becoming vegan only deepened Bon's devotion to realising his dream, dedicating himself to more than a decade of hard work to open this fully vegan restaurant.

But sadly soon after, following a long battle with leukaemia, Bon passed away.

It is in his memory that his family continues the journey he began; to make real a place where people from all walks of life can celebrate through delicious food and create a more compassionate world together.
